Reception and office desk

Distance [400] m | Narrowest clear width [1200] mm
Route to the beach

Clear door width [1020] mm | Threshold [0] mm
Café accessible toilet doorway

Key information

- Designated carpark is provided close to our office and checkin area.
- Contact: tours@oceansafari.com.au | 07 4098 0006.

OCEAN SAFARI BOAT AND VANS

Ocean Safari is an adventure experience aboard a rigid inflatable vessel carrying a maximum of 25 passengers. Powered by 700 hp engines, the journey from Cape Tribulation to Mackay Reef takes approximately 25 minutes, depending on conditions.
Seating includes designated seats at the front and rear of the boat, as well as seating on the inflatable pontoons. Guests must maintain three points of contact at all times and follow crew instructions.
We depart directly from the rainforest-lined beach, with no marina or boarding pontoon. Guests must be able to walk across sand, wade through shallow water and use the boarding ladder. Please contact our team before booking to discuss any mobility or assistance requirements.

Step heights [230] mm | Clear width [550] mm
Beach boarding and ladder

Seat width [1270] mm | Clear space [410] mm
Vessel seating and handholds

Ladder dimensions [660]mm | Handholds [230]mm
Water entry and exit

Door width [1080] mm | Each step height [320] mm
Van doorway and boarding steps

Doorway [550] mm | Clear opening [410] mm
toilet doorway

Clear width [510] mm
Helm to pontoon

Key information

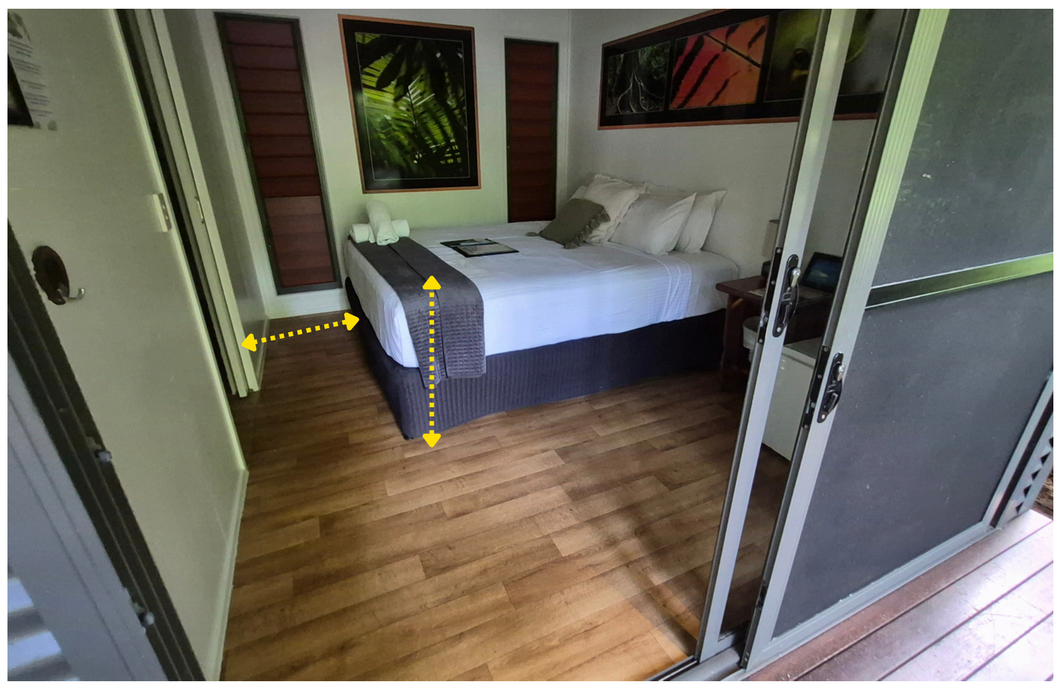

- Boarding involves a ladder. The vessel cannot accommodate passengers who need to remain in their wheelchair.
- We welcome guests of all swimming abilities, with flotation devices available on board for those who need them.
- The skipper may restrict or refuse water entry if conditions are rough or participation is considered unsafe.

SAFARI LODGE

Safari Lodge offers rainforest accommodation in Cape Tribulation, with 8 powered campsites, 18 unpowered campsites and 8 cabins, including 5 with aircon and ensuite. .
Guests share access to the camp kitchen, swimming pool and amenities block. Access varies between accommodation types and facilities. The photos and measurements below will help you assess what suits your needs. Please contact our team before booking to discuss any assistance required.

Cabin type [ ] | Door width [850mm] | Steps [180mm]
Cabin entrance and doorway

Bed height [50] mm | Side clearance [60] mm
Bed and circulation space

Entry width [740] mm | Threshold [0] mm
Accessible shower and entry

Path width [970] mm | Distance [18] m
Walking path to camp kitchen

Key information:

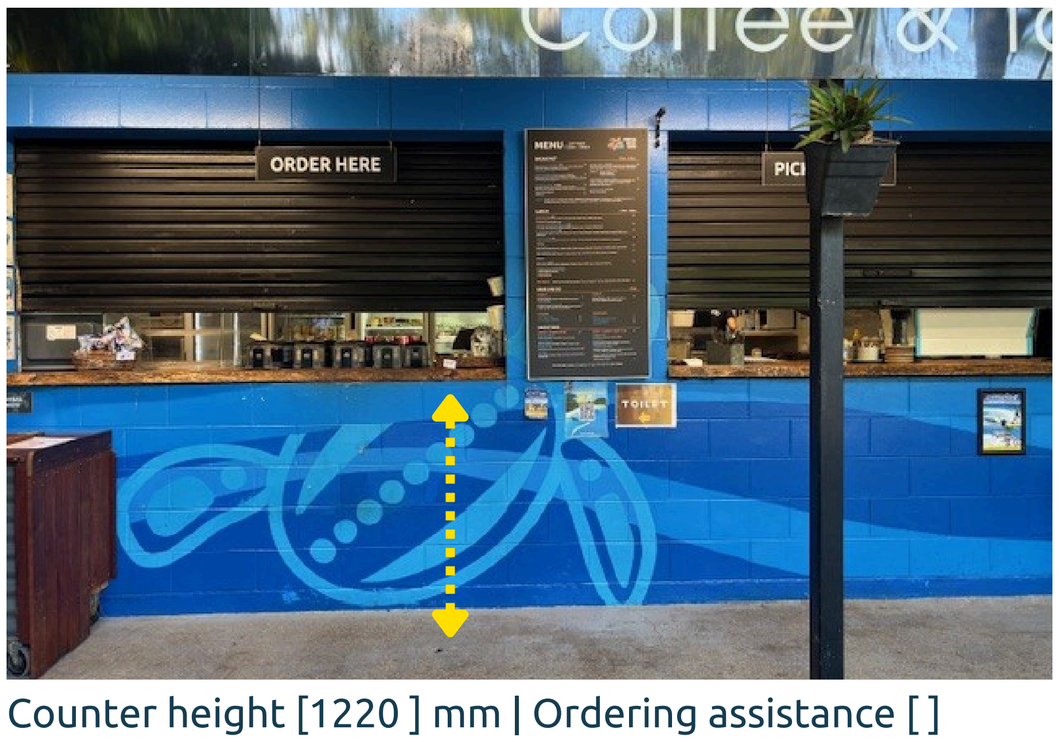

- Distances between accommodation and shared facilities are relatively short. See the measurements below for specific routes.
- The driveway can be uneven in places, which may affect guests using wheelchairs, mobility aids or prams.
- Each cabin has a designated parking space nearby.
- All cabins have three steps up to the deck.

TURTLE ROCK CAFÉ

Turtle Rock Café is open daily from 7:30am to 3pm, offering dine-in and takeaway options. Our open-air deck seats up to 120 guests and is covered by shade sails.
Wheelchair access to the deck is on the southern side, beside the office. The other entrance has three steps up to the deck. Two toilets are available, including one wheelchair-friendly toilet.

Clear entrance width [3000] mm | Threshold [1500] mm
Café entrance from car park

Counter height [1220] mm | Ordering assistance [ ]
Ordering point and menu

Knee clearance [730] mm | Aisle width [1200] mm
Tables and seating

Clear door width [1020] mm | Threshold [0] mm
Accessible toilet doorway

Key information to add

- For wheelchair access, use the southern entrance beside the office.
- The alternative entrance has three steps.
- The deck is open-sided and covered by shade sails, so conditions can vary with the weather.
- A wheelchair-friendly toilet is available. See the doorway measurements in this guide.
- Please speak with our team if you need assistance with access, seating or ordering.

DRAFT - add photos and verified measurements before publishing.
